CORE COMPETENCIES

Based out of the Wright-Patterson Air Force Base (WPAFB) community in Dayton, Ohio, Bull Bear Defense Solutions is a dedicated force in IT, cloud, and GRC modernization. Our commitment is clear: to deliver agile, efficient solutions tailored for legacy IT and cloud systems, catering to federal, defense, and commercial sectors.

The cornerstone of our success lies in our team of industry-certified consultants, whose vast expertise in IT and cybersecurity ensures that we not only meet but surpass our clients' expectations. At Bull Bear, we stand ready to address the unique challenges of each client, guiding them toward robust, future-ready solutions that elevate their security posture in an ever-evolving digital landscape.

Chief Jock Bull Bear

Mrs. Jessica McKinley, our Founder and President, is a proud tribal member of the Caddo Nation of Oklahoma and the great-great-granddaughter of Chief Jock Bull Bear of the Arapaho Tribe.
