BULL BEAR
DEFENSE SOLUTIONS

CRADLE TO GRAVE CYBER & IT SOLUTIONS

Bull Bear Defense Solutions is a Cybersecurity and Technology focused company which provides Cradle to Grave (requirements > deployment > decommission) consulting to the DoD and Defense Industrial Base (DIB). We are local to the Wright Patterson Air Force Base community in Dayton, Ohio.

WHO WE ARE

Bull Bear Defense Solutions was founded in July 2020 as a 100% Native American owned, Woman Owned Small Business (WOSB), Economically Disadvantaged Woman Owned Small Business (EDWOSB) and an Indian Small Business Economic Enterprise (ISBEE) focused on providing clear, concise Information Technology and Cybersecurity subject matter expertise to Government and Commercial clients. Our focus is on client success and working to solve complex Cybersecurity and Information Technology issues. Our industry certified consultants bring extensive experience in the IT and Cybersecurity fields to ensure our client needs are exceeded.

CLIENTS WE HELP

Bull Bear Defense currently works with DIB clients in several industries including: Information Technology, Cybersecurity and Manufacturing to meet their NIST 800-171 and DFARS compliance needs. Additionally, Bull Bear consultants have extensive hands on experience supporting various Federal, DoD and State clients in meeting their compliance needs.

OUR STORY

Mrs. Jessica Putterbaugh-McKinley, our Founder and President, is the great-great-grand daughter of Chief Jock Bull Bear of the Arapaho tribe (pictured circa 1908). Our President is a proud tribal member of the Caddo Nation of Oklahoma and is committed to the goal of exceeding client expectations in honor of Native American culture.
