

## Ketchikan Tribal Business Corporation acquires majority stake in Bull Bear Defense Solutions

### OUR VISION

Leverage our combined resources, expertise, and market presence to expand the KTBC and Bull Bear portfolio with federal civilian & defense agencies and in commercial market sectors

We will seek certification in the Small Business Administration's 8(a) Business Development program as a tribally-owned entity

Provide our expanding key support services and programs for our existing customers in Alaska and throughout the US

### KETCHIKAN TRIBAL BUSINESS CORP

Ketchikan, Alaska - Ketchikan Tribal Business Corporation is a Section 17 Federally Chartered Corporation created and 100% owned by the Ketchikan Indian Community (KIC), a federally recognized tribe located in Southeast Alaska. KTBC's mission is to achieve economic self-sufficiency and build wealth through Tribally aligned businesses that benefit our community by: developing quality relationships and/or partnerships, building both human and financial capacity, maintaining accountability to stakeholders, and creatively managing opportunities aligned with our mission.

### ONE MISSION

Together, KTBC and Bull Bear look forward to providing as an industry leader protecting critical systems, resources and data as well as traditions, customs, and the heritage of our ancestors in the Alaska Native and American Indian communities.

### BULL BEAR DEFENSE SOLUTIONS

Beavercreek, Ohio - Founded July 2020 by Jessica McKinley, a descendant of the Caddo Nation of Oklahoma and Arapaho tribes. BBDS is based out of the Wright-Patterson Air Force Base (WPAFB) community in Dayton, Ohio, and is a dedicated force in IT, cloud, and Governance, Risk & Compliance (GRC) modernization. Our commitment is clear: to deliver agile, efficient solutions tailored for legacy IT and cloud systems, catering to federal, defense, and commercial sectors.
